IEEE DBCE Student Branch Newsletter  
Electronics & Telecommunication Engineering  
2021  
Editor: Prof. Yeshudas Muttu    Student In-charge: Ms. Sheena Mashelkar

## Inside this issue

- About IEEE DBCE Student Branch
- Events Digest
  - Workshops
  - Expert Talks
  - Networking Activities
  - Competitions
  - Outreach
- Achievements and Felicitations
- Upcoming EXE-COM 2022

## OBJECTIVES

- To organize Seminars, Hands-on Workshops, Industrial Field visits, Expert Lectures and Technical Events for students & faculty members on and off campus that helps in Skill Development & Lifelong Learning.
- To create an awareness about the industry standards and expectations amongst students by networking with IEEE and Industry professionals.
- To imbibe leadership qualities, team spirit and research culture amongst students for technological novelty and excellence with communal benefits.

# About IEEE DBCE Student's Branch

Student Branches provide an opportunity for IEEE Student members to begin networking in their areas of interest and future profession. There are over 3,000 Student Branches in over 100 countries, globally. IEEE Student Branch of DBCE is one amongst them and has got listed under IEEE Bombay Section, Region 10 on December 17, 2018. **Don Bosco's IEEE Student Branch code is STB11433 & School code is 60135646.**

The Executive Committee of IEEE Student Branch, DBCE consists of all the Branch Officers (Chair, Vice-Chair, Treasurer, and Secretary), Sub-Committee Leaders, Branch Counselor and Adviser. To work together as a team, Don Bosco's IEEE Student Branch aims to have regular meetings, build a good rapport with all the IEEE student members, arrange for varied and interesting activities for the members and keep our Student Branch vibrant.

The Don Bosco College of Engineering, Fatorda, Goa established an IEEE student branch consisting of 74 students with the help of Prof. Yeshudas Muttu as the IEEE Branch Counselor, and Dr. Varsha Turkar as the IEEE Branch Adviser.

The inaugural ceremony was held on 1<sup>st</sup> February 2019 in the Seminar Hall of the college. The Chief Guest for the function was Mr. Shashank Krishna; Director & CEO of Katmal Info Technology, Padma Shri 2019 Nominee (Science and Engineering field) and the Guest of honor was Dr. B. Satyanarayana, IEEE Bombay section Secretary and Scientific Officer (H), TIFR, Mumbai.

IEEE Student Branch can establish various affinity groups, chapters, etc. which are very specific to age-groups, women and engineering domains. For its continued growth and vitality, IEEE DBCE Student branch has set up Women in Engineering (WIE) Affinity Group on August 7, 2020 and the **geo-code is SBA11433**.

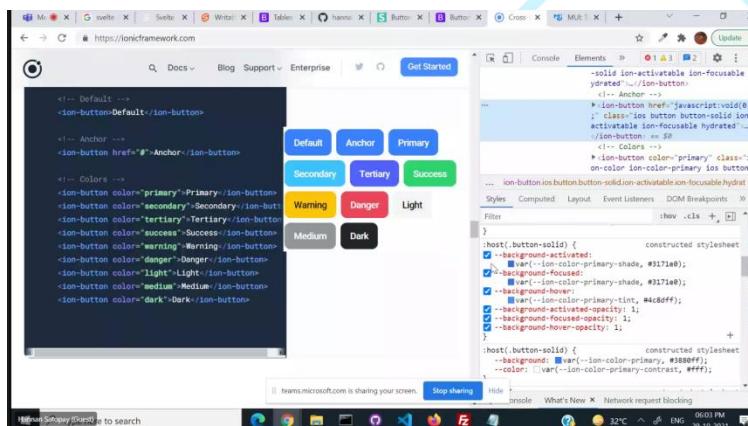

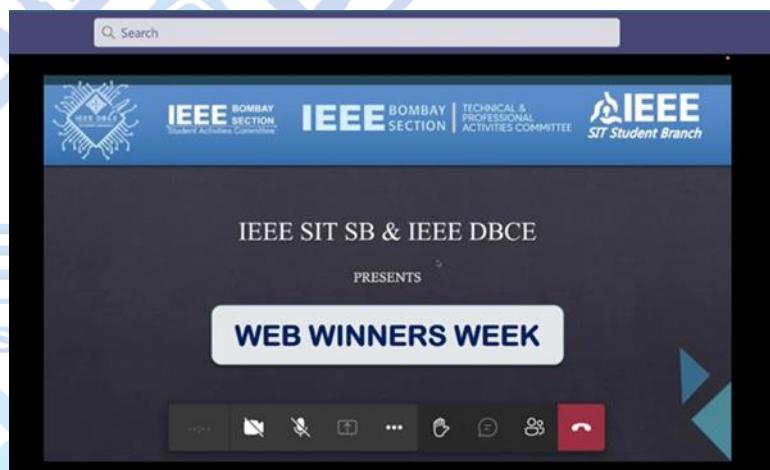

# EVENTS DIGEST

## WORKSHOPS

### WWW - Web Winners Week

The IEEE SIT SB, Lonavala and IEEE DBCE SB, Goa in association with the IEEE BS SAC and IEEE BS TPAC organised “WWW- Web Winners Week” a four-day workshop on Web followed by a two-day hackathon with the aim to enhance the web page design ability of the participants. The resource person for this event was Mr. Hannan Satopay, Full Stack Developer, Chief Technology Officer at Tech Wemy and IEEE Bombay Section TPAC Secretary.

The fundamentals of web development was covered on Day 1 along with the working of figma and designing a basic layout before moving forward to create the actual website, i.e., KBC application, using Visual Studio, Html and bootstrap. On the 2nd day, Mr. Hannan Satopay introduced the audience to the Svelte framework, used to build fast web applications. The speaker put forward various things about Firebase, creating query, getting data from collection, pulling data from cloud, pushing more data to leader board, updating the leader board, etc. were demonstrated on Day 3. On the final day, the facilitator designed a user interactive quiz website.

The following were the themes for the 2-day hackathon: Healthcare, Environment, Productivity, Education, Social, Leisure, Agriculture and Open Theme. The winners of the hackathon were awarded cash prizes from the IEEE Bombay Section.

## WORKSHOP on Graphic Designing “Dot your Design”

The IEEE Bombay Section Students Activities Committee (SAC) collaborated with IEEE Student Branch of Don Bosco college of Engineering, Goa to organize a Graphic designing Workshop titled “Dot Your Design” on 8<sup>th</sup> & 9<sup>th</sup> May 2021. The guest speakers for the workshop were Mr. Rakshit Shah (Design Lead, IEEE Bombay Section SAC) and Mr. Sahil Sawant (Design Team Member, IEEE Bombay Section SAC). It was ably supported and guided by IEEE Student Branch Counselor, Prof. Yeshudas Muttu & IEEE Student Branch Adviser, Dr. Varsha Turkar.

Mr. Rakshit began the workshop with a lot of enthusiasm by giving the participants a lot of knowledge on the basics of designing. He further went on to introducing Canva Pro. Graphic designer's role, do's and don'ts, the purpose of creating any design, font specifications and the texture in the design were minutely detailed out.

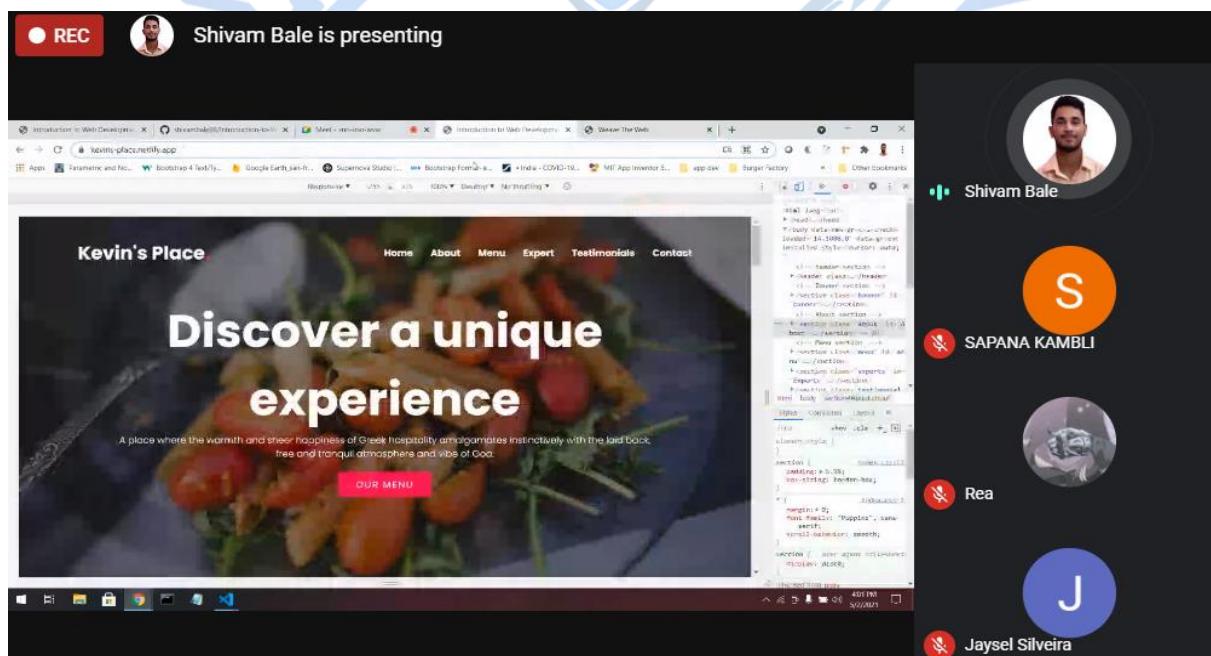

On Day 2, Mr. Sahil started the session by giving many examples of different designs and gave guidelines in designing different things like posters, PowerPoint presentations, letters, resume, etc. using Canva Pro. Considering a particular theme, he designed a few posters by himself and gave out lot of tips and tricks to the participants about the same.

## Web Development: Weave the Web

The **IEEE DBCE Student Branch Women in Engineering Affinity Group** organized a Web Development Workshop “ Weave the Web” on 1<sup>st</sup> May, 2<sup>nd</sup> May and 15<sup>th</sup> May 2021 with aim to enhance the student’ understanding on the basic yet essential skill of Web Development in an effective way. The Facilitator for the workshop was our Alumni, Mr. Shivam Bale, Tentwenty Digital Agency Front End Engineer (Intern).

The speaker started with the basics of HTML 5, CSS and JavaScript. He also explained how all the three languages interact for designing a webpage. In the second session the participants were asked code along with the facilitator. Furthermore, the use of JavaScript and CDN was explained. The last session emphasized on the responsive web development with help of Bootstrap. All the sessions were very informative and the students had all their doubts cleared and queries solved by the trainer. By the end of the workshop, participants were asked to develop a website on their own.

# EXPERT TALKS

## IEEE – DSYA Programme on "Career Scope & Life Skills"

The IEEE DBCE Student Branch in association with Directorate of Sports and Youth Affairs organised Skill and Knowledge Enhancement Programme on "Career Scope & Life Skills" on 17 December 2021 from 9.30 pm to 5:00 p.m.

### Session 1: Finance Management

The Speaker Dr. Celso Fernandes, Managing Director Nave Marg Foundation, Goa. In this session, the speaker provided various insights on investing at an early age. Moreover, he explained the difference between saving, trading and investing. He highlighted the importance of the health and other insurances.

### Session 2: Digital Marketing

The speaker Ms. Sneha Desai, Director, ITAPPZGLOBAL Technologies LLP. Session began with the introduction to the speaker by IEEE DBCE SB Member, Mr. Jefin Sam. The speaker started off with dynamic and responsive website design and development concepts, wireframe, payment gateway and stripe for international payment. She also explained types of crawling, encryption and block chain, Google ads and sales funnel. Furthermore, she presented wordpress platform which includes plugins: inbuilt features that can be used to design your website, google tag manager.

## Session 3: Entrepreneurship

The Speaker Mr. D.S. Prashant, CEO of Forum for Innovation Incubation Research and Entrepreneurship (FiiRE). The speaker started his session with entrepreneurship as a career option. He stated that the income of an individual is dependent on so many various factors such as: economic development, market, political factors, etc. The speaker also specified to have an extremely strong "WHY" before starting on the journey to become an entrepreneur. With every success comes a ton loads of failure, D.S. Prashant emphasized heavily that the journey of starting a startup consists of a lot of failures and ways how to deal with these failures.

## Session 4: Personality Development

The final session was delivered on entrepreneurship by Ms. Kanan Tandi, Co-founder and CEO, Cognicue Analytics Private Limited. She spoke about various topics like equality, personality development, body language and behavioral reciprocation and absolutely nailed onto the areas where, as an individual we tend to ignore completely. She said "The way we talk, sit, reciprocate, facial expressions are the eminent weapons to deal with critical situations".

## Session on “Finance Management for Women”

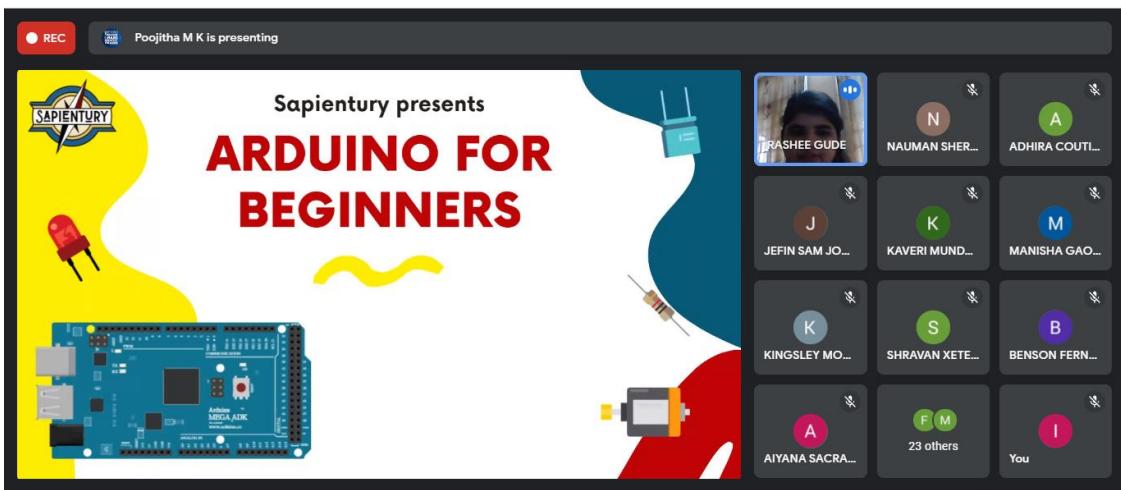

On the occasion of 4<sup>th</sup> IEEE R9 PES WiP Day, a Session on Finance Management for Women was organised by IEEE PES Bombay Chapter in association with IEEE Student Branch of Don Bosco College of Engineering and IEEE S.B. Jain Student Chapter. The speaker of the day was Ms. Garima Bajaj Saxena, 2<sup>nd</sup> Certified Management Accountant USA and Certified Financial Planner USA. The event was held virtually on 29 September 2021 at 5.00 p.m. on the Webex Meetings platform.

Ms. Saxena began the workshop by briefing the audience about the objectives of financial management such as understand your financial situation, creating a budget, making a plan for self and family, etc. She spoke about the different ways in which a girl could save money and manage their finances while studying which was quite essential since most of the participants were students. The speaker also emphasized on the benefits of finance management at an early age. She also explained a few investment choices which include Equity Mutual Funds (EMFs) via Systematic Investment Plans (SIPs), FDs, Fixed Maturity Plans (FMPs), etc.

## Arduino Webinar for Beginners

Sapientury, Bengaluru in association with **IEEE DBCE Student Branch Women in Engineering Affinity Group** conducted a webinar on the topic ‘Arduino for Beginners’. The webinar was held on 30<sup>th</sup> September 2021 at 4.15pm via the Google Meets platform. The webinar was open to all students of the college but the main audience comprised of students from second and third years. Our host, Ms. Rashee Gude, warmly welcomed the students and introduced us to the speaker for the evening Ms. Poojitha M K, the President at IEDC: BIT Bangalore.

She started the session by taking a poll and spoke about how the engineering education system requires more practical and experimental learning methods rather than having plain theory-related courses. She explained the importance of development boards and how Arduino, being an open-source platform, is diverse from the others. The speaker also conducted a simulation of the Arduino board on the Tinker Cad software and encouraged the participants to take it up as well.

### Webinar on Overview of Regional Activities

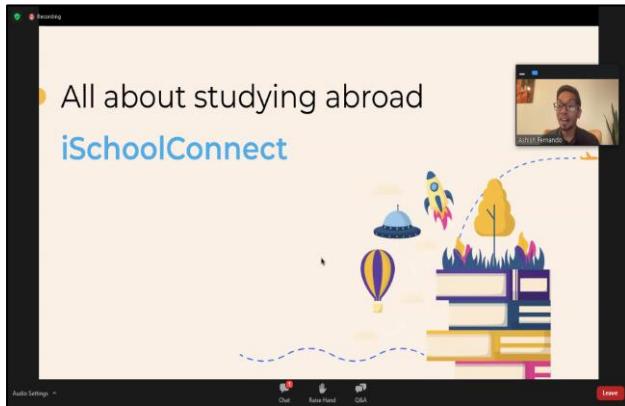

IEEE Bombay Section SIGHT group organized “Overview of Regional Activities” on 8th July, 2021 in association with IEEE SBs of IIT Goa, DBCE, and GEC. Professor Lance Fung briefed about the various advantages of becoming an IEEE Member like Resources, Leadership, Community and Recognition and emphasized on the various guidelines an IEEE Member should wholeheartedly follow. Professor Lance Fung proceeded to discuss more about the total number and change in number of IEEE memberships among Undergraduate and Graduate Students across various regions. This was followed by a brief overview of Region 10 EXECOM 2021-2022 and a short discussion of various events happening in IEEE Region 10 like IEEE Tencon 2020 and IEEE TENSYMP 2021. The regional, professional and Technical activities of various professors of IEEE Region 10 were discussed.

Dr.Vijaylakshmi Biradar gave a brief overview about the various funding opportunities by R10 and shared her past experience about funding's received from IEEE SIGHT.

### TALK SERIES on “Study Abroad Programme”

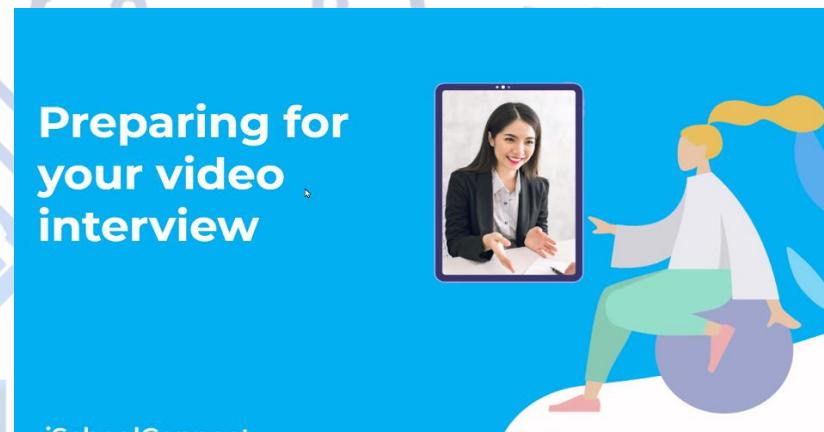

The **DBCE IEEE Women in Engineering Affinity Group** in association with iSchoolConnect conducted a workshop series: Study Abroad. There were 5 different topics which were covered over a span of 5 days i.e 29<sup>th</sup> June - 3 July. The webinars were open to all students and were hosted online via zoom. The topic for day 1 was “Job Vs Higher Education”. Ms Rashmi the speaker for the day mentioned some of the important aspects of a profile setup, which included academics, soft skills, persona, experience, social media, extra-curricular activities and social cause.

Day 2 of Study Abroad series was on “All about Test Preparations”. The speaker for the day Ms. Ashwini Sarode. The speaker discussed about the test preparations required to study abroad, such as GRE, GMAT, TOEFL and IELTS. The topic for day 3 was “Choosing the right university”.

The speaker for the session was Mr. Arvind. The speaker gave a step by step guide to choose an apt university one wants to study in. Day 4 was based on the topic “Do’s and Don’ts of study abroad interview”.

The speaker for the session was Roopali Birman. The Speaker provided insights on interview preparation, how one should present themselves during a video interview, the documents required for an interview and tips to ace the VISA interview.

The speaker for day 5 was Ashish Fernando who spoke on the topic “All about studying abroad”. Mr. Ashish started off by briefing the participants on how many students chose to study abroad in 2020 and how to choose the right country for you.

## NETWORKING ACTIVITIES

### 3<sup>rd</sup> Installation of IEEE DBCE SB

The IEEE Student Branch of Don Bosco College of Engineering organized its 3rd Installation on Saturday, March 20, 2021. The Chief Guest for the function was Dr. B. Satyanarayana, Chair of IEEE Bombay section; connected virtually through google meet. Prof. Yeshudas Muttu addressed the audience stating the importance of the IEEE SB administration & IEEE DBCE executive members 2021 who were introduced to the audience. Once formal installation got over, all student branch members were made to interact with each other with

fun-filled activities like action songs, sell a product activity, memorizing maximum names of SB members, etc.

## IEEE Day 2021: Celebrate the bond of technology

On the 9<sup>th</sup> October 2021, the IEEE Student Branch of Don Bosco College of Engineering celebrated IEEE Day. The IEEE SB Counselor, Prof. Yeshudas Muttu began with the IEEE day celebrations by commemorating why IEEE day is celebrated. He stated “The anniversary of the 1884 meeting in Philadelphia where member of the American Institute of electrical engineers, one of IEEE’s 2 predecessor’s societies, gathered for the first time to share technical idea”. Later, the IEEE SB Adviser, Dr. Varsha Turkar compiled all her IEEE experiences into a nice short story and left the audience extremely inspired, proud and motivated. The IEEE committee members, Ms. Neha Joshi, Mr. Atish Naik Gaonkar and Ms. Sheena Mashelkar shared their journey through IEEE and the qualities that they developed being a part of the IEEE DBCE SB.

## IEEE DBCE Student Branch Meet Up

To mark the celebration for attaining the IEEE Regional Exemplary Student Branch Award by R10 and 2nd place for the IEEE Day Celebration Contest by Bombay Section, The IEEE DBCE student branch conducted a Networking Activity on 27 November 2021 from 9:00 am to 5:00 pm at Susegad County, Quepem. This event was a day-out, exclusively for the members of IEEE DBCE SB. This event allowed everyone to expand their network as well as to stay connected with the fellow IEEE members and share ideas while enjoying with nature. The event was very well to know every IEEE member with fun-filled activities, giving it a cultural flavor.

# COMPETITIONS

## National Level Coding Competition

IEEE Bombay Section Technical & Professional Activities Committee in association with IEEE DBCE – Goa, IEEE NIT – Raipur and IEEE S.B. Jain – Nagpur student Branches organized a National Level Coding Competition hosted on CodeChef platform on 4th September 2021. The industry oriented problem statements were taken from CodeChef team and framed by the organizing team. The competition received an overwhelming response of about 120+ participants from various institutes across the Nation. The competition was coordinated by Vice-Chair of IEEE Bombay Section TPAC, Prof. Yeshudas Muttu. The student branch representatives for the same were Ms. Sheena Mashelkar – IEEE DBCE SB, Mr. Rushikesh Bodhe – IEEE SBJIT SB and Mr. Aman Kumar Dewangan – IEEE NITR SB.

## Hackathon “IEEEExtreme 15.0”

The IEEE Student Branch of Don Bosco College of Engineering, Goa hosted the 24 hours coding competition - IEEEExtreme 15.0 from 23<sup>rd</sup> October 2021(5:30 am) to 24<sup>th</sup> October 2021(5:30am), which was proctored and well organized by the IEEE Student Branch counselor Prof. Yeshudas Muttu and technically assisted by Mr. Ignatius Dias.

IEEEExtreme 15.0 is a 24-hour World-wide online coding competition where various universities and colleges, of this esteemed community, which is IEEE, go on head-to-head in a friendly yet compelling and invigorating competition. The event received 5561 registrations from teams from all around the world, of which Don Bosco College of engineering had 13 teams, with 3 members each.

The objective of this event was to encourage team building through communication, and problem-solving skills. The participants were challenged with a new problem statement every hour with 25 problem statements in total based on different concepts like arrays, graphs & trees, data structures, image processing with memory and run time constraints. The 24-hour online coding competition ended on 24th October 2021(5:30 am).

## e-Poster Design Competition on “COVID Vaccine Awareness in the Nearest Centre”

The participants of graphic design workshop “Dot Your Design” were made to participate in the same to test their skills learnt during the workshop. As an outcome, many posters were designed & submitted by the participants using the platform, Canva by May 15, 2021. The Posters were judged by Mr. Rakshit Shah- IEEE Bombay Section SAC Design Lead & Mr. Sahil Sawant, IEEE Bombay Section SAC Design Team Member.

**IEEE BOMBAY SECTION - SAC IN ASSOCIATION WITH IEEE DBCE STUDENT BRANCH**

**POSTER DESIGN COMPETITION**

**ON**

**COVID VACCINE AWARENESS POSTER IN THE NEAREST CENTRE**

**Note:**

- Only the participants of the "Dot Your Design" workshop are allowed and must submit their design.
- Last Date of Submission is 15th May 2021.

**CONGRATULATIONS**  
POSTER DESIGN COMPETITION WINNERS

**1st Place:** Mr. Aaryan Kumbhar  
SIES Graduate School of Technology, Mumbai

**2nd Place:** Mr. Tushar Ninave  
SIES Graduate School of Technology, Mumbai

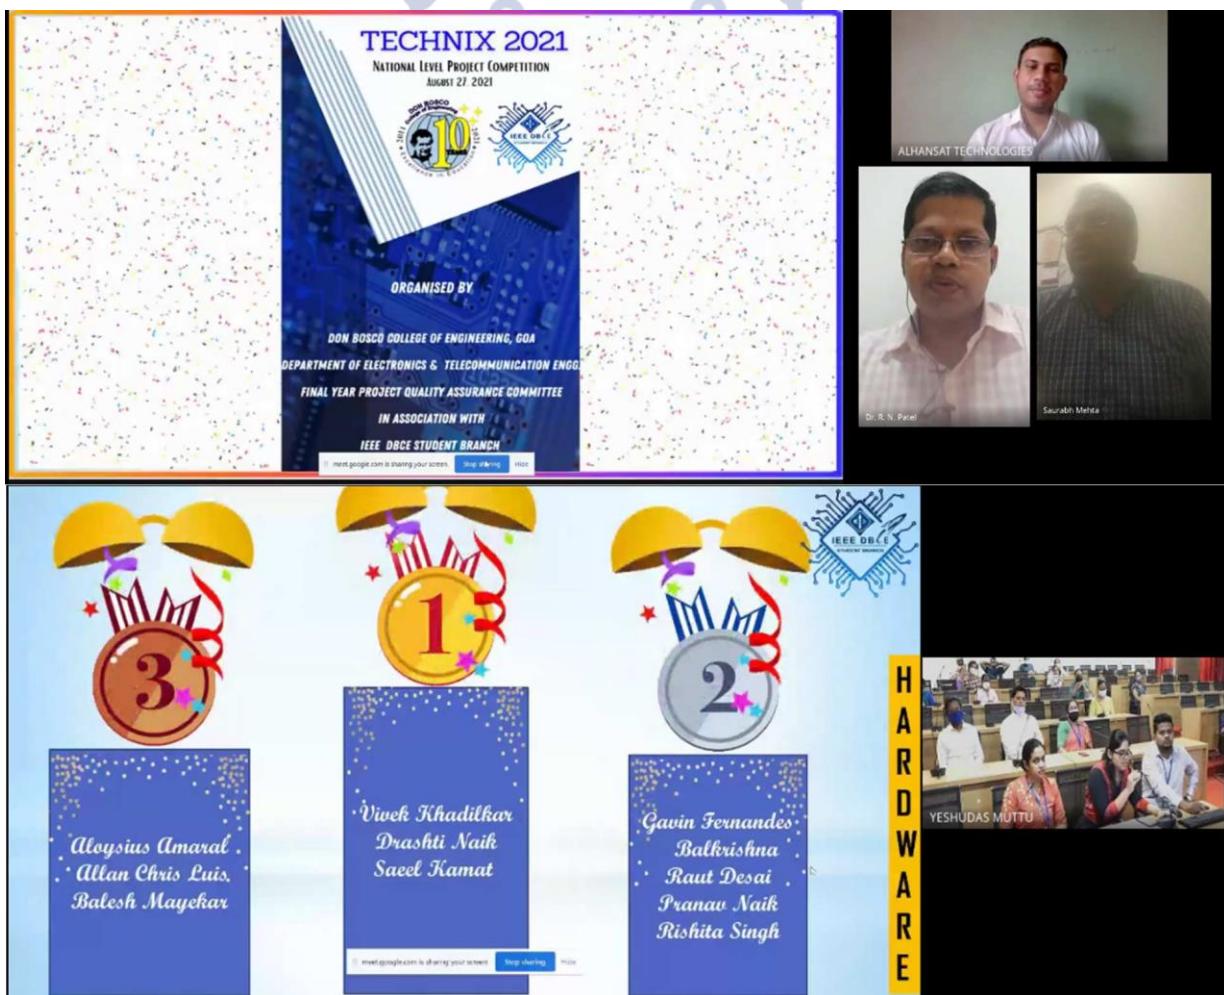

**3rd Place:** Ms. Anushka Somavanshi  
St. Francis Institute of Technology, Mumbai

## Technix 2021: a National Level Project Competition

Don Bosco College of Engineering completes 10 years of excellence in technical education. As a part of this celebration, Technix 2021 was organized by the Final Year Project Quality Assurance Committee, Department of Electronics & Telecommunication Engineering (ETC) in association with IEEE Student Branch.

Technix 2021 commenced in the month of July with the submissions of abstracts which went on till July 27, 2021. A total of 130 participants registered for the competition all across the nation. The competition saw entries from varied domains like Robotics, Embedded Systems, Signal Processing, Machine Learning, Artificial Intelligence, Biomedical Engineering, Communication Engineering, 3D printing, automation, mechatronics, etc.

The judges for Technix 2021 were Dr. R.N. Patel – Associate Professor, NIT Raipur and Chair, IEEE Bombay Section Technical and Professional Activities Committee (IEEE BS TPAC); Dr. Saurabh Mehta – Chief Academic Officer at Vidyalankar Institute of Technology, Mumbai and Secretary of IEEE BS; Mr. Hannan Satopay – Chief Executive Officer, Alhansat Technologies and Secretary, IEEE BS TPAC. The winners of the event were awarded with certificate & cash prizes in the Hardware category and software category.

# OUTREACH

## SEMINAR on “Awareness about Electronics & Telecommunication field”

As a part of National Skills Qualification Framework (NSQF) under Ministry of Skill Development and Entrepreneurship, IEEE DBCE Student Branch in association with IEEE Bombay Section SIGHT (Special Interest Group on Humanitarian Technology) organized an Outreach Programme at Government High School, Kalay, Sanguem- Goa under Goa Samagra Shiksha Abhiyan. The main objectives of this event were to make students aware about electronics & telecommunication field and to assess the availability of the resources in the laboratories.

The invited resource persons were Prof. Yeshudas Muttu & Prof. Mohini Naik Gadekar. The Electronics & Hardware Instructor, Ms. Karishma Naik, introduced the guest speakers to the audience. The event started off with a session on “Electromagnetic Wave & Spectrum” by Prof. Mohini Naik Gadekar. She introduced the school students with basic electromagnetism concepts. She also demonstrated the transmission and reception of the data using Morse code kit.

The next session titled “Electrical, Electronics & its applications” was delivered by Prof. Yeshudas Muttu. He briefed the students about the basic electrical & electronic components used in day today life and the physics behind it. Later, students were familiarized with basics of robotics, interfacing devices like sensors, motors, etc. and integrated electronics & electrical to build a robot.

# ACHIEVEMENTS AND FELICITATIONS

## International Recognition

For all the hard work put forth in organizing unique and quality of activities in the year 2020 during the Pandemic, IEEE Student Awards Committee and IEEE MGA Student Activities Committee declare IEEE Student Branch of Don Bosco College of Engineering, Goa, India as one of the winners of the IEEE Regional Exemplary Student Branch Award 2021. The purpose of this award is to provide public recognition of exemplary IEEE Student Branch operations.

### IEEE Regional Exemplary Student Branch Award 2021

Presented to

IEEE Student Branch of Don Bosco College of Engineering  
(IEEE DBCE SB)

Bombay Section, R10

For exemplary performance as an active IEEE Student Branch offering technical programs, activities, professional networking opportunities that enable members in building critical skills.

20th December 2021

Susan K. Land

Susan K. (Kathy) Land  
IEEE President 2021

## Second Place for IEEE Day 2021 Celebration Contest

IEEE Student Branch of Don Bosco College of Engineering, Goa celebrated IEEE Day on 9th October 2021, participated and won second place in the IEEE Day 2021 Celebration Contest organized by the IEEE Bombay section.

Institute of Electrical and  
Electronics Engineers

Dr. Satyanarayana Bheesette  
Chairperson

October 22, 2021

Greetings to all the Bombay Section members.

IEEE Day is celebrated on the first Tuesday of October every year. It is the most important day of celebration for the IEEE community. Accordingly, IEEE Day was celebrated on Tuesday 5th October this year. As you know, IEEE Bombay Section has announced 2021 IEEE Day Celebration Contest for which the OUs were invited to submit entries about their IEEE Day 2021 celebrations. 14 valid entries were received for the Contest. Thanks to Jeet Dagna, Anjali Mishra, Tathagat Kumar and Gandhar Suryavanshi for coordinating the process of entry submissions.

Thanks also to the jury comprising of Sarika Chouhan, Saurabh Mehta and Kiran Talele, who went through the entries and selected the top three entries based on the evaluation criteria, which includes quality of the poster, event execution, impact of the event and number of participants and so on.

It is pleasure to announce the proud winners of the Contest for this year:

**3rd Prize: SIESGST**

**2nd Prize: DBCE**

**1st Prize: SITCOE**

Heartiest Congratulations to the student members, branch counsellors and college management of the winning SB's. Looking forward to even more impactful events and a tougher contest for the IEEE Day 2022.

Kiran Talele, Treasurer, Bombay Section will take care of the prize money disbursements as per the rules and guidelines of the contest.

B. Satyanarayana

### Third Place for Joint SB Leadership Contest

IEEE Student Branch of Don Bosco College of Engineering, Goa and Sinhgad Institute of Technology, Lonavala collaborated to participate in the Joint SB Leadership Contest organised by IEEE Bombay Section. This event was organised as a part of Student Membership Enhancement & Leadership Training (SMELT) 2.0 under IEEE Region 10 SAC Membership Development and Leadership Training (MDLT) Fund 2021 on 31st August 2021. The proposed idea was “WWW – Web Winners Week” which received a lot of appreciation from the jury who awarded them the third place for the contest.

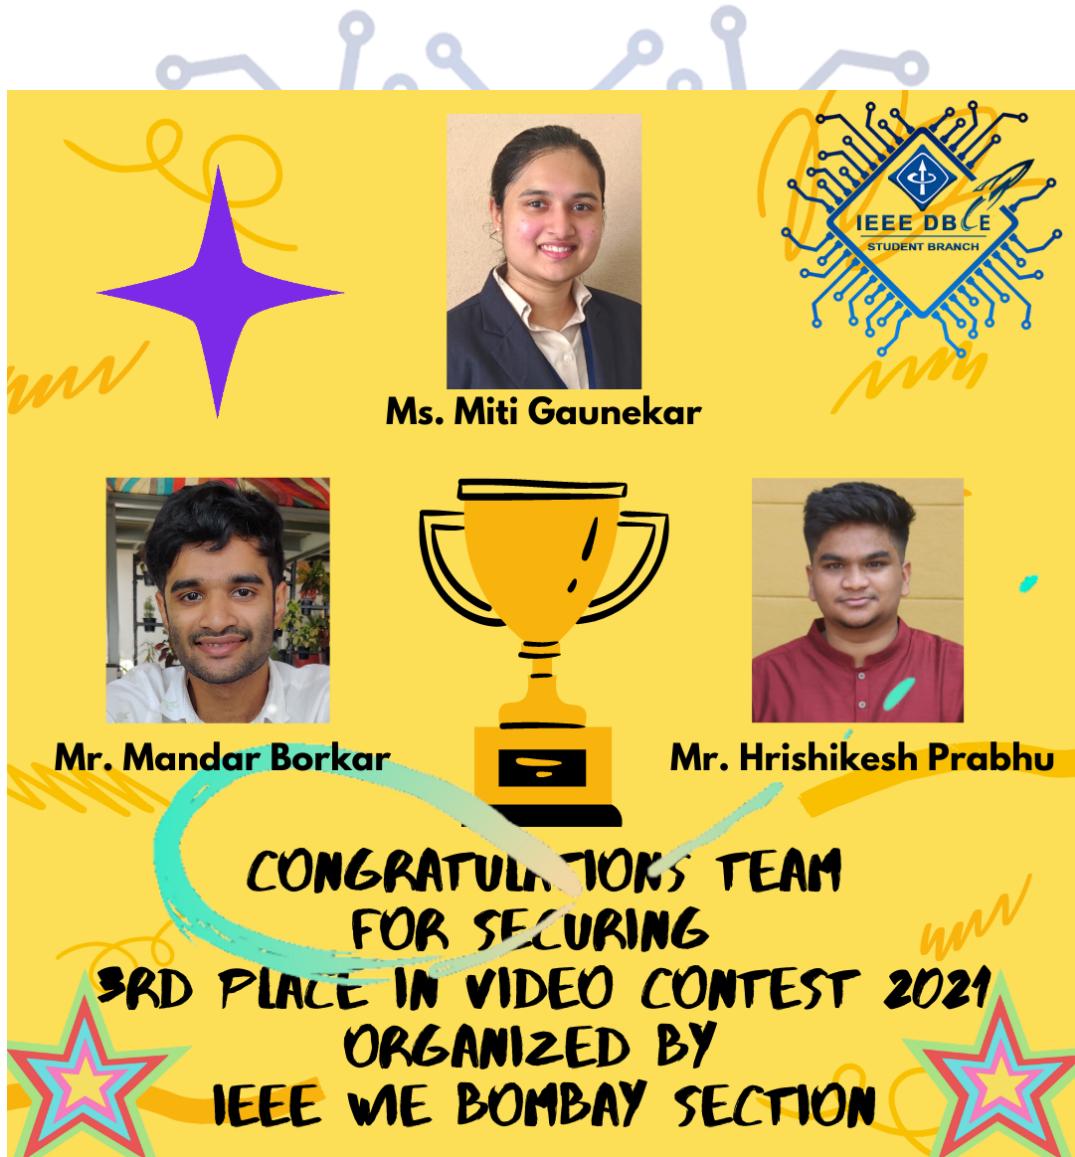

### Third Place for IEEE WIE Video Contest

IEEE Bombay Section WIE Affinity group organized “TERNION” on 28th April, 2021. The winners of the video contest, organized during International Women’s day were announced and it was a proud moment for IEEE DBCE SB members being declared the 3rd place winner with team comprising of Mr. Mandar Borkar, Mr. Hrishikesh Prabhu and Ms. Miti Gaunekar. The competition received entries from various sections all over India like Madras, Kerala, Bangalore, Pune and Bombay.

The event was judged by:

1. Dr. Mini Ulanat, Vice-chair, IEEE India Council
2. Dr. Saurabh Mehta, Secretary, IEEE Bombay Section
3. Mr. Hannan Satopay, Secretary, TPAC-IEEE Bombay Section

## Other Achievements

- Mr. Suyog Borker, Former IEEE DBCE SB Treasurer is appointed as Editorial Coordinator for IEEE India Council Newsletter Team 2021.
- Mr. Eshan Korgaonkar, Mr. Arya Shanbhag, Mr. Kaiser Souza was appointed as a volunteer of IEEE Bombay Section Student and Young Professionals Activities Committee (SAC) on July 1, 2021
- IEEE DBCE Student Branch Vice-Chair, Mr. Saiesh Naik and IEEE DBCE Student member Mr. Nigel D'Souza were appointed as a volunteer of IEEE Bombay Section Special Interest Group for Humanitarian Technology (SIGHT) on July 1, 2021.
- IEEE DBCE Student Branch Joint treasurer, Ms. Anjima Rajesh and IEEE DBCE Student member Mr. Niket Naik Shirodkar were appointed as a volunteer of IEEE Bombay Section Women in Engineering (WIE) Affinity group on July 1, 2021.
- IEEE DBCE Student Branch - Awards & Recognition Lead, Mr. Mandar Borkar was appointed as a volunteer of IEEE Bombay Section Power & Energy Society (PES) on July 1, 2021.
- IEEE DBCE Student Branch Counselor, Prof. Yeshudas Muttu was appointed as the Vice-chair, IEEE Bombay Section Technical Professional Activities Committee (TPAC) and Technical Committee Head of IEEE Bombay Section WIE Affinity group on August 1, 2020.
- Prof. Yeshudas Muttu was appointed as IEEE Day 2021 Ambassador by International IEEE Day Celebration Team.
- Prof. Yeshudas Muttu was Chief Guest for five Days Online Faculty Development Program on “Recent Trends in Energy Conversion Technologies: A Research Perspective”, Technically Sponsored by IEEE Bombay Section and ISTE New Delhi at Sharad Institute of Technology College of Engineering Yadra on 30th August 2021.
- IEEE DBCE Student Branch Adviser, Dr. Varsha Turkar was appointed as the Chair, IEEE Bombay Section WIE Affinity group on August 1, 2020
